**Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450**

Sir:

Regarding the above-identified United States patent application, on December 29, 2004, an Amendment, with a Certificate of Mailing, was sent to the United States Patent & Trademark Office in response to an outstanding Office Action dated September 30, 2004, having a due date of December 30, 2004.

After speaking with Examiner Rafael P. Gutierrez on April 1, 2005, he indicated that because our Amendment dated December 29, 2004, was mailed bearing the incorrect Serial Number (10/121,404), he was unable to accept the response. However, Examiner Gutierrez suggested that if the Amendment was resubmitted with the correct Serial Number (09/955,882), there would be no extension fees, because our response was initially mailed in due time.
